Ultimate Warriors of EXODUS: ULTIMA III,

As thou dost venture forth across these mystical lands of Sosaria, many a Fighter, Thief, and even Mage will succumb to the evil forces of EXODUS. Though thou hast at thy disposal truly wondrous powers, many among you will desire a greater knowledge of the realm before thy journey is complete. In order to provide for these wishes, I, Lord British, will supply "The Secrets of Sosaria" for thy use.

"The Secrets of Sosaria" is a fully illustrated document detailing maps of all the towns, castles, dungeons, and magic realms. It also includes a digest of what things to find where, along with clues to aid thee on thy quests.

In order to prepare this powerful work, runners were sent to all corners of the world to gather the deepest secrets of Sosaria. Great expense was incurred and many lives were cast into the Abyss. Therefore, in order to be empowered with this priceless knowledge, an offering must be made in tribute to the dead of no less than \$12.95, payable in currency of the Realm.

Inquire at thy local dealer, or obtain "Secrets of Sosaria" direct from the Origin at the address above.

Journey forth with my blessing. May thou encounter good fortune and reap vast rewards!
